Gorgeous. Looked great in white lingerie. Slightly let down by obvious boob job scars.

The Story:

Great fun and sexy attitude. Really knew the buttons to push and did so enjoying the effect she was having on me. Oral with condom was excellent. Then reverse cowgirl was superb due to her great technique and attitude. Finished in doggy for a great punt. No rush after I finished with 15 mins of the half hour left. She gave me a nice back rub for 10 mins before I left with a grin on my face and bounce in my step.
