The Premises:

Smart flat on 2nd floor of a victorian block near tube station and exhibition centre. She didn't know I was coming but recovered brilliantly and we agreed I'd return after 20 mins.

The Lady:

When I returned, she had her uniform on and I was greeted with a big hug and kiss and she was straight after my dick. She's got great boobs and a fantastic body with a really pert arse. She's also beautiful.

The Story:

We had a BBBJ on my back in 69, then she sat reverse cowgirl, I lifted her up and we were reverse cowgirling in front of the mirror which I loved and she did too. She's really petite, so this isn't a problem. Then it was back on the bed, missionary and full speed ahead before I came all over her tits. It was then time for me to take her and me (she's still got her legs wrapped round me at this stage) into the bathroom for a shared bath which was exquisite. Se does the oriental WG thing and finishes up by trying to get me shoot again in the bath. It was not to be. I have unfinished business and I will be back.
