### The Premises:

Clean. A little bit shabby. But good parking.

### The Lady:

Reasonable looking eastern European with long blonde hair and big boobs.

### The Story:

My first time to see this lady. Silk and Stockings in it's heyday was a fantastic establishment with superstars such as Zoe, Vicky and Rebecca - but has recently seemed to lose its sparkle due to a high turn-over of girls. My last 2 experiences at Silk and Stockings have been very below par - so I was hoping that Bianca would be different. Unfortunately, she wasn't.

Bianca strolled nonchalantly into the room and with an uninterested expression asked me what service I wanted. I decided to go for the topless hand relief. What followed was a very functional and extremely rushed approach to providing her service. Disinterested looks and curt gestures - her only concern seemed to be to make me come as quickly as possible regardless of whether I enjoyed the service or not. I left feeling completely robbed.

Whether Bianca was having an off-day or not, I don't know. But this was probably the worst punt of my life. Avoid - you can do a lot better.
