### The Story:

First time seeing Paris and getting appointment was relatively easy with a mix of email, text and calls (she is very careful). All the other repots here are pretty accurate, Paris is gorgeous with a body you just want to loose yourself in! Her format is unlike any other girl i have seen with a sexy hands on lap dance, dildo and oral without (give and receive). There were time when I thought I would explode in her mouth but Paris always knew ehnn to draw back and we had the whole 30 minutes with no clock watching or rush at all. Oral was fab with Paris sucking my cock deep and hard for what seemed ages and at the same time pshing her juicy shaved pussy into my face allowing me to explore every part of it with my tongue. Eventually she climed on top (jacket on) whilst we kissed and sucked each others nipples until I could hold on no longer. Again there was no rush we lay on the bed kissing while she cleaned me up. She asked me if I wanted to shower to get rid of the oil which I did and then a leisurely goodbye and final kiss at the door. In a word, Amazing!
