The Premises:

She leaves in a small but convenient flat. About 5 mins and 11 mins walking distance from Vauxhall and Kennington stations, respectively.

The flat was very clean. Bathroom was convenient. The flat was located in a very quiet and discreet square.

The Lady:

26 year-old, 5'6" Polish girl. Curly, doll-like, shoulder-reaching blonde hair. Blue eyes. Real, busty, beautiful tits. Cutest voice and accent. Very clean.

The Story:

I went for a GFE. I got what I asked. She is very responsive if you're clean and nice. She is one of the most natural kisser. Very convincing GFE, probably the best in London these days. Truly a nice personality. Not too chatty, not quiet. Quite intelligent-educated.

I will visit again, if I can. The only reason I am revealing this gem, is because I am moving to somewhere quite far from where she lives.

One problem with her is that she does not work everyday. She advertises which days she work at the beginning of each week.
