The Premises:

Smart new apartment in the centre of Manchester. Large lounge and bedroom with en-suite shower room.

Gated entry, buzzed in by Suzie who had previously given me good directions.

Safe area with good parking.

The Lady:

Suzie is as per her photos and description, good looking girl with blonde shoulder length hair. Very nice figure.

The Story:

Suzie offers a GFE but can change mood in an instant, moves very quickly from the nice girl next door to throwing in a little sub and a little dom, great eye contact and dirty talk at all the right times. The whole "Suzie Experience" just fell into place and was very natural, no way would you say that this was just a service. The time just flew by, for all the right reasons !!!

Really enjoyed my time with Suzie and without a doubt I will be back for more.

Thanks Suzie xxx
