The Premises:

Annalise's apartment is tastefully decorated and is nicely furnished; in particular I liked her king size wrought iron bed!! Seriously though, she keeps her apartment to a high standard, very nice indeed.

The Lady:

Annalice was dressed in a stunning black and red basque, black fishnets and red high heels - she looked amazing. But it was her brown eyes that had had me captivated and that smile! I could go on! She has a gorgeous figure and a really beautiful face not to mention her magnificent 34dd bust!!!

The Story:

I had a great time with Annalice; she was very personable, warm, tender, and thoughtful. She oozes sex appeal and confidence, yet she is down to earth and fun to be with. I won't go into details about what went on between us in the bedroom, all that I will say is that my experience with Annalice is one which I will never forget and hope to repeat! She has also proven herself to be trustworthy; I'd used her bathroom and had accidentally dropped a £20.00 note on the floor, and then left. I knew nothing of this until Annalice called me to say that she'd found a £20.00 note on her bathroom floor and she thought it might be mine as she was sure it wasn't hers. I appreciated her honesty so much that I let her keep it. Trustworthy escorts are hard to find, so look after this one guys and she'll look after you. A real star.
