The Premises:

Pat has been busy! The flat has been redecorated and cleaned up and although small is much better than I remember. Perfectly safe well known block in South kensington. I haven't been to town for a while but it's good to know that my favourite agency is going strong despite a few London setbacks of late. Pat is always so accomodating and easy to deal with.

The Lady:

I am getting a taste for these duos which is bad news on my bank balance but great for the libido. I feel like a stalion for weeks after. Lucy is a cute petite strawberry blond who I have been after for a while as she only works every now and then. Tanya is a leggy blond/brunette depending how she feels. Both girls were well above expectation and both English/Scottish as well.

The Story:

I'm always up for something new and Tanya's suggeston of a naughty strict schoolmistress and schoolgirl romp set peter rigid. I must say this girl can really pull it off she ought to be an actress. At times it was like a scene out of a porn film with me at the receiving end. Tanya ordering sweet little Lucy to kneel skirt round her waist and suck my peter deeper was a memorable moment. This was a great couple of hours ranging from outright threesome porn to sweet three way kissing and cuddling. Both girls were super and great fun all round. Fantastic I could really get used to this :)
