The Premises:

Located in a very upscale part of town, the apartment itself was spacious, clean and very nicely decorated. As mentioned in previous reports, easy to find and very secure.

The Lady:

Exactly like her photos, cute as a button and delightfully frisky from the second i walked though the door! Very bubbly and pleasant, with a real naughty streak ;)

The Story:

Having read previous FR's on Annie, particularly 79794 and 84754, I was pretty sure that there was going to be lots of fun had in her company. I just wasn't prepared for how mindblowingly good she is at what she does. This lady definitely deserves a field report as she is a true find.

Forget what you've seen in the movies: this was a total PSE...Hard and horny french kissing from the get go, toe curling BBBJ, an amazing reverse and frontal cowgirl session (she looks so damn hot in that position) Mish, doggy, DATY (tastes great less filling!) and a trip around the world in 30 minutes!!! Right to the point of bidding a fond farewell, Annie is an absolute gem. There was no rushing, no clockwatching, she is very open minded, ready willing and able to take you over the edge... and in a word unforgettable.

I'll definitely be seeing her again - treat this lady right, and you will not be dissapointed! Thanks again Annie!!
