The Lady:

Vicky is a Thai girl told about 19. more like 25 i think. Should have left as i was made to wait about 15 mins for her.very off putting. Vicky was timid and i was not at ease as she went through the motions of undressing me. She was very nervous and i guess she did not want to be there.

The Story:

As i could not get out of this i went through with enjoying her beautiful body. very little eye contact indeed. I tried to tell her she is a naughty girl but not much response. No complaint about Vicky at all but i felt not is all well and the girls dont want to do this work.

come on guys in sheffield do more reports on the sheffield girls
