The Premises:

Debbie?s ? you all know it. If not, read the other FRs and get yourself down there PDQ !

The Lady:

Angel is a beautiful and stunning black girl in her mid 20?s with a very warm and friendly personality.

The Story:

My first report on Debbie?s, although I have been a frequent visitor there over the past couple of years.

Angel is new to Debbie?s and was covering today (Tuesday) but will probably be working alternate weekends in the future.

Had another great time at this establishment (have not been disappointed yet) with oral both ways and sex in many positions.

Angel loves to watch herself in the mirror during Doggie, which I also found a great turn on, and was responsive to all my attentions especially during reverse oral which I absolutely love.

Fished by taking off the condom and coming over that pert bum.

As usual at Debbie?s, there was no rush afterwards and there was even time for a little chat and a cuddle on the bed before I, reluctantly, got up to get showered and dressed.

A great GFE with a really attentive and caring girl. Definitely someone to see again.
