The Premises:

First floor flat next to motor bike shop. Parking available within the layby on the opposite side of the road.

The flat it's self is a little run down but it is clean & tidy, and has the basic furniture.

The Lady:

Ellie is an attractive & friendly tall leggy blonde, slim build. Mid 20's.

The Story:

There were two girls working, but the other one was busy at the time.

Started off with a good massage (better than most I experienced). followed by handjob with a bit of a kiss & a cuddle. I went down on her before she return the favour with a nice long BBBJ. Then on with the mac for the main course.

True GFE.
