The Premises:

Her new cottage location is easy to find but very discreet.
Clean and comfortable with all the usual appurtenances.
Safe parking about 3 minutes walk away (?1.80 for 2 hours).

The Lady:

If Ruth had been "the girl next door" when I was young I would never have moved house!
It is a cliché to say that her web site does not do her justice but at 5'4", size 10 to 12, a shy smile, smart dress and stunning hair I felt all my Christmases had come together.

The Story:

Kendal is an oasis in the punting desert that is Cumbria and Ruths flat is the true green spot of fertility.

She was a little shy to begin with, which was a surprise after her bubbly and easy going manner on the phone, but that lasted about 2 minutes till we got acquainted.

I had a great time and hope that she did. What we got up to is between us but I felt I had run through the entire menu. She was not slow in giving me a good deal of pleasure, and more unusually, after the main event we lay entwined for another 10 mins just calming down.

I shall be back, so if you want the experience of her charms please form a disorderly queue behind me.
