The Premises:

Tidy establishment that makes you leave your shoes in reception.

The Lady:

5'5 Thai girl, nice long hair, friendly smile, not too good on the language, medium size tits dark nipples

The Story:

The back massage was good and she did spend a good time doing the owen gary rub of parts that rarely see the sun.

Tried to get 20 quid for oral without and then extra tenner for reverse oral, which the other girls here throw in free.

She spent most of session at rear of bed out of reach

She kept saying fat cock and I was not sure whether this was meant as a description of me or an observation on my calibre.

Quick shag in doggy and that was it.

Certainly one to avoid like the plague
