The Premises:

A very clean, well kept establishment. Parking on surrounding streets, felt very safe - especially having been before.

Despite being in a residential area, the entrance isn't really overlooked and you can park up and walk round the back of the premises quite safely.

The Lady:

Lisa was simply stunning. Early 30's, curvy size 10 brunette, fabulous boobs, sexy bum and an all-round fit body.

She had lovely persona, seemed really genuine and a good sense of honour to boot.

The Story:

Without going into too much detail, Lisa provided a top class full GFE. A wonderfully sensual massage followed by sex in a variety of positions and a fantastic finish over those fabulous boobs. Nothing was rushed.

Lisa is simply awesome and worth every penny.
