The Lady:

Slim, pretty African woman - who speaks excellent English. A very nice body. A bum to admire and fondle at the same time. A joy to spend time with.

The Story:

Spent a very pleasant hour with a sexy black woman. I don't know her true age but she has a thin, lithesome body - and she's as tight as a virgin. It's easy to imagine that you're holding a 19 year old beauty in your arms. Small natural breasts that are perfect in my eye. Excellent blowjob and the tight pussy had me on the edge very soon. But I controlled myself and managed quite a few positions, all very memorable. She certainly has a raunchy side but overall she was gentle, friendly & kind. A massage & chat to end a very pleasant 60 minutes.
