The Premises:

Well known block right on Queensway - Decent room though bit spartan

The Lady:

Pretty kind of girl next door - not stunning but pretty and young - very firm body - nice small tits - and big pussy lips (she knows they are big !)

The Story:

Greeted in casual clothes - short skirt / top / flip flops (?) - Got it all off pretty sharpish though which was slightly disappointing but then DFK by the bed for starters - this was more or less continuous throughout the hour

To the bed and Decent BBBJ and lots of DATY - then Karen rubbing her pussy against my cock while I munched on her tits. Loads more BBBJ and fun before a vigorous fuck in mish with lots of encouragement from Karen

A cuddle to finish --

Karen was sweet and at times seemed quite into the action - A very good GF type punt - Recommended as most reviews on the AB site
