The Premises:

Bunnies is as described by other recent reviewers, clean, close to railway station and easy parking, felt safe and discreet, with front door set back from the street.

The Lady:

Charlie is new to Taunton but previously operated under another name in Exeter. She is medium height, slim blonde, in her mid to late twenties. Very friendly and straightforward about services on offer, a pleasure to do business with.

The Story:

The fact that I returned less than a week after my first encounter with Charlie says it all. I think we clicked. My needs/wants are quite simple, great owo (to completion if requested and paid for in advance) followed by sensitive and prolonged cow-girl, culminating in a great orgasm. I strongly recommend this lady.
