### The Premises:

Haven't been to Scorpio for several years but nothing's changed. No external signs though - you need to know where you're going.

### The Lady:

Petite, dark-haired and cute rather than glamorous. About 20 y.o., wears glasses. 3 other girls free but there was just something intriguing about Charlie. I was not disappointed.

### The Story:

Superb, sexy back massage and relaxing conversation. I really enjoyed her company. Told her I liked oral both ways and I'd like her to go first. Her oral was absolutely first class then. When I took over, her pussy was deliciously clean, tasty and moist and I thoroughly enjoyed pleasuring her until she came. No faking - she enjoyed it and told me so. Finally, she unleashed her neat, medium breasts which I enjoyed nuzzling and sucking for a while and then she finished me off with her "special" handjob. Marvelous!

Dunno what meatmike's problem with this gal is - she's quite upfront about not doing CIM but she's so much fun I will DEFINITELY try to see her again whenever I'm next in Auld Reekie. (And I hardly ever visit any girl more than once.)
