The Premises:

Hotel in High Street Kensington so clean and tidy, if a little anonymous.

The Lady:

Photos and description on Agency website are accurate. Alex has a few more tattoos than shown in her photos but I for one found them very sexy. She also has enhanced boobs which are very well done.

The Story:

I arrived at Alex's hotel room and within five minutes of my walking through the door, she was on her knees sucking my cock for all she was worth. I enjoyed a few bouts of vigorous and vocal sex with Alex, in between kissing and cuddling sessions. I also had time for Alex to give me a massage and treat me to a toy show.

Alex is clearly sex mad and everything is available with her. She offered me A levels but I declined as I'm not in to that.

All in all, it was a perfect way to spend a Sunday afternoon.
