The Story:

Called in on spec with intent to see the gorgeous Melissa who I have seen before. I was told by the receptionist that unfortunately she wasn't in today but two other lovely ladies were working and Jessica "the more mature lady was free". Alarm bells rang at this stage as I once saw a mature lady (I mean there's mature and ancient). I decided to take my chance after the description from the receptionist and went into the room, undressed and waited for Jessica.

What a pleasant surprise. Jessica is an attractive, very slim blonde 40ish. She was very pleasant to chat to (all the time making eye contact) as she gave me a slow sensual massage.

When it came to the afters I will only say that Jess is a no rush lady who genuinely seemed to care about my enjoyment, a lot of stroking and cuddling before the sex (I was so up for it I had to miss the oral out or that would have been the end). Thank u Jessica for a great time I'm gonna have you and Melissa together next time as you suggested you and her are two great ladies.
