The Premises:

La Maison is an exceptionally good place with excellent bedrooms, unfortunately at the moment the upstairs club is off limits but hopefully this will be sorted out soon

The Lady:

Renae is a real looker with a fabulous slim, smooth body and great tits. She is a 5 5 black girl and has lips to die for and a fragrant smell to her.

The Story:

After a shower we started with some deep french kissing very nice and then onto the couch for fab OWO, she took me by surprise with some REALLY deep throat more so than I've ever experienced this soon resulted in the inevitable! So it was onto seconds I returned the favour, more kissing and then a long shag in several positions before finishing with more OWO and a handjob, all in all a gr8 time and well worth a recommendation.
