The Premises:

Slightly tatty flat, the rooms aren't the nicest. God only knows what Lawrence Llewellyn Bowen would have to say about it. Never mind, I wasn't really there to admire the decor. Pleasant, friendly maid. A 'mature' flat, this was my third visit and none have been a disappointment.

The Lady:

Described on the phone as 45, blonde, size 10 with 36 DDs. Couldn't really argue with that description, pretty with it, all round a very nice package. Friendly and cheerful.

The Story:

Paid for OWO with completion on the body, lay down and awaited the usual perfunctory 'massage'. Instead I was surprised when Kelly stripped off and began enthusiastic DFK and nipple-licking, golly. She appeared happy to make the experience interactive with no obvious 'no-go' areas. The blowjob when she got to it was equally enthusiastic and highly skilled with plenty of ball-licking, and as I turned her over to blow on her chest she wriggled round to apply some serious tongue action to my taint. Golly indeed!

Afterwards she even said she felt guilty that we'd finished so quickly and offered a massage.

Top lady - sadly I think the maid suggested she was only covering for a short period of time.
