The Premises:

In a safe area with plenty of parking. I have to admit though, that on first sight of the outside of the building I have to admit that my heart sank a little. On the first floor of a row of low-rise flats, my opinion was not really improved after being buzzed into the communal stairwell / landing area. It just goes to show, however, how wrong first impressions can sometimes be, because once inside the flat I could not help but be impressed at the effort that had obviously gone into making it welcoming. Spotlessly clean, the room was decorated with a pink theme, with a TV/DVD player and fresh bed linen. The bed had leather head and foot boards and was very comfortable. It felt like being in the boudoir of a classy courtesan and certainly set the mood.

The Lady:

Chelsea is about 21, with brunette hair and the most beautiful blue/grey eyes. I'm not too good at guessing these things, but I would say that she was a size 10. Chelsea has lovely pert boobs and really lovely legs, topped off by a very squeezable bottom.

The Story:

Chelsea provided a true GFE. She kissed like an angel and has a way about her that makes you want to hold her close to you and protect her from the world! Sublime oral (with) was followed by my returning the favour, which she seemed to enjoy, followed by Chelsea sitting on top to ride to a conclusion.

All in all a very enjoyable session with a lovely, beautiful young lady. I realised how wrong my initial thoughts had been outside the flat and I can only say that Chelsea is highly recommended.
