The Premises:

Nice spacious flat near St James Park Station, just off Victoria St.
Easy to find and felt safe.

There were other people in the apt, which was a little off putting.

The Lady:

About 5'2", nice long dark hair, great figure, nice boobs, cute arse. Pretty face and very friendly from the moment she opened the door to me.

The Story:

Good session, loads of OWO and Reverse O (she came a least once doing this). We had sex in loads of positions. Cherry was willing to try loads of things. I also wanted A but she said I was too big. We had loads of hard sex but she found it too painful in the end, again because of my size.

My only complaint was that she used too much lube, so at times it was hard to feel very much.

She was a really nice girl though, no clock watching, a great firm massage to end things and another long bout of OWO to help me cum a 2nd time.

I would recommend but I'm going to play the field a bit more.
