The Premises:

A smart establishment in an industrial area. Discreet off road parking and a private entrance makes you feel secure. Inside the place is large and airy, the rooms are very clean, well equipped and spacious.

The Lady:

I was offered a choice of 3 girls at that time of the afternoon, all of whom were lovely. I chose Annabella. About 5'7", dark hair very good figure and good English - she is from Russia with a lovely smile and very good nature.

The Story:

?80 gets you half an hour and I opted for RO for an extra ?20. Good massage and chat before rolling over and getting to business. Nice shaved pussy which got suitably wet before it ws my turn... Great technique and then entered her from behind.... very very enjoyable before she squatted on top of me and lowered herself onto me. This ws enough to put me over the top and thus came to an end a very enjoyable half hour.

I can't believe this is the first report for the Retreat - Amanda makes you feel very welcome and there is always a great choice of lovely girls. try it - you will be glad you did.
