The Premises:

The front is a hairdressers. Respectable area, parking tight but free. Clean, well-equipped, safe. There's a guy on reception where I'd prefer a female, but I was made welcome and the procedures were explained. There's a room charge in reception and a fee to the girl. When I phoned for a price, I was quoted both together so there was no misleading. I was ?100 for an hour with Nicky, and 10, 15, or 25 depending on the facilities. For ?25 I had a suite with bedroom, a jacuzzi room, a shower room with toilet, and a sauna room. Very luxurious and great VFM.

The Lady:

Nicky is medium height, slim and well-toned. Long dark hair. Beautiful body, could be a model. Good-sized real breasts, a few tattoos, all-over tan. At one point she was wearing just a pair of black stilettos. Fantastic visual effect. She has a strong local accent, which I love.

The Story:

Started with a shower, then a few minutes in the sauna, while the jacuzzi was prepared. Sat in the jacuzzi with Nicky, chatting and fondling. She is very helpful with positioning so I could enjoy her body to the full. Moved from there to bedroom for mutual massage, covered oral and sex. Back into jacuzzi afterwards for luxury cleansing. Some girls here do watersports. I didn't ask Nicky but maybe next time. I enjoyed it very much, and will return soon.
