The Premises:

This establishment is well kept and clean. You can park opposite the entrance and without question I've never felt unsafe there. The area is a reasonable residential one but you don't feel overlooked or watched.

The Lady:

Isabell was exactly as described over the phone. Tall and leggy, but with a curvy, voluptuous figure and fabulous boobs. She's an attractive brunette, I'd guess in her early 30's.

The Story:

As Isabell was the only lady available when I arrived I hadn't actually seen her before she entered the room. However her description was spot on.

She seemed very friendly, well spoken and genuinely seemed to enjoy what she was doing.

A very good massage was followed by great oral (covered) - with plenty of eye contact. After returning the compliment we went for mish and then doggy. Unfortunately - looking at Isabell's fantastic bum - I couldn't last as long as I would have liked to!

Well worth a visit though - as the Director's Lodge seems to have a constant stream of attractive ladies. I've never had a bad time there.
