The Story:

Once sorted stuff out we got down to it and she is remarkably dirty !

There is not much she is not up for and seems to really enjoy herself.

Her hands and mouth do wonders and she will suck just about anything. I was impressed so far so time for shagging.

Straight into doggy and had the chance to work on her body.

Soon into mish first with her legs over my shoulders and the straight down between mine and then off with the condom to come on her boobs.

Lovely girl who I really liked.

A really good find at 150.
