The Premises:

The parlour is a little run down
at the rear is a discreet entrance the front is next to a indian resteraunt that i believe to be buisy at night
parking both front and rear
however the car was safe

The Lady:

Jade is a very size12 vivacious lady with long blonde hair
i would put her at about 28 years old
gifted with enormous breasts about a 36dd
standing with heels at 6ft
sexy dress in a lepard skin patterned type baby doll nightie
wearing net hold ups and high heeels.

The Story:

Jade was very pleasant and a joy to spend some time with
her service was 100 percent
she covered all services requested and genuine in her orgasm
she likes nothing more than a good time herself as well as making sure you enjoy your time spent with her
Plenty of fore play and definate un rushed service.

Also the receptionist made me welcome before and after by offering refreshments and making me feel comfortable.

I shall be a regular visitor to this establishment.
