The Premises:

Flat on E Rd - but the rougher north side of Marylebone rd - Kind of an ex council type block - Ok once inside

The Lady:

Really fancied a black girl for a change. Lakisha is - from the waist up - as her pics. Pretty with big wonderful slightly enhanced tits with dinner plate nipples. From the waist down however she is much heavier than pics suggest though this did not really detract too much for me. Nicely turned out and made up - in a skin tight dress showing off those big tits

The Story:

A relaxed 90 mins - Loads DFK, Good BBBJ, and DATY. Slightly unusually I ended up with my cock between Lakisha ample tits and I pumped till I came. Some more fun and games but it was one of the days when my dick was playing up so no round too for me though Lakisha tried and seemed likley to be ok with most things

Friendly and fun girl with a nice GF touch but maybe not a repeat for me
