The Lady:

What can I say about Nazarin, so beautiful. This lady must be a model, because her body was delicious.

The Story:

After paying for an hour, sadly this place does not allow proper kissing, except on the cheek. There was no rush, so Nazarin had a nice nightie on which came off to reveal a really nice figure. After giving me a nice relaxing massage, she turned me over and gave me a wonderful oral. After being really hard and long, I went into that amazing body, where I came. Nazarin is a lovely sweet person.
