The Lady:

Michelle is an elegant mature lady with a slim figure, a lovely smile, and a good dress sense. Her photos are accurate and up to date.

The Story:

Michelle is exceptionally friendly, well informed, and always good fun. She is, in fact, a proper escort, whom you could take anywhere, into any company, and be proud to be with her. When we are alone she is loving and passionate. Don't know why I'm saying all this stuff - I'd rather keep her to myself! In the bedroom (or in private places elsewhere) she responds positively to almost any suggestion, and makes quite a few of her own. If she has limits I haven't encountered them. I can't recommend her too highly. This is the sort of sex that makes you feel glad to be alive.
