The Premises:

Her place was very clean and tidy, was met at the door by receptionist, and was ushered directly to the room, did not see any other men around, which is always a good sign of a professional run place.

The Lady:

I could not believe my eyes, prior to meeting Reena, I had only seen pics on Blonde escorts, and I must say her pics were stunning, but the real thing is 200% better. As for what she looks like, very much as her description, very petite Indian lady.

The Story:

After being showed into the room by the receptionist, was asked if i wanted a drink, to which i said orange juice, within 2 minutes of the receptionist leaving Reena arrived with my orange juice in hand. Got the money out of the way then off with my clothes. Once the clothes were off, Reena asked if I wanted a rub, which i declined as I wanted to spend as much time with her as possible. Reena then came up to me and we kissed, I could not believe how passionate this was, then we moved on to the bed, where she went down and gave me oral without, while doing so, keep eye contact with me all the time, this was so good I nearly shot my load there and then. I had to tell Reena to get off and come and give me a kiss, we then put the rubber mac on, and I had her doggy and mish, before shooting my load.

I must say this lady is addictive in every way possible, as soon as she walks into the room, you know your in for a good time, so treat her with respect and tell her dribbler said hi.
