### The Premises:

Plenty has been written about Debbies. As described in previous reports.

### The Lady:

Also as described in previous reports. Has perhaps gained a little weight as shown from photos on her website, but this did not distract from the overall experience. Has the most amazing, beautiful eyes that just suck you in. Couldn't get enough of them.

### The Story:

This was my first ever punt and this lady and the lovely Jenny who was the maid did their very best to make me feel relaxed and make me feel at home. All I can say is that Debbie was very accomodating and did all that she could to please me. Lots of laughs, cuddles etc and I never felt like I was just another peice of meat. Punting will probably never be a lifestyle choice for me, but should I wish to do so again, I would certainly come back here.
