The Story:

I've had good times here for a few years now but I have to say this was the best so far. Charlie was such a thoroughly nice girl that I found it hard to believe she was working. Started with sensual open mouthed kissing and licking just like with a girlfriend. Lots of fondling and kissing ensued, she seemed to love having her beautiful boobs sucked and played with. After a bit of this I was pleased to find her very damp down below and I was able to bring her to a proper climax with my hand quite quickly. She then let me mount her in mish and, whilst kissing, she pulled me right in with her legs around me and I reached a wonderful climax of my own,

Very very lovely - thank you Charlie. Treat her well everyone.
