### The Premises:

Clean apartment in large block. Easy to find and no hassle. Would be good at any time of night.

### The Lady:

Slim early 20's pretty girl. Nice body and very nice personality.

### The Story:

Went into her small apartment and got the kit off. Good deep french kissing. Good BBBJ plenty of eye contact etc until I came. No worries there. Had a chat and another BBBJ until I got hard and we put the condom on for some anal. Turned out we had a hard time getting it in and when we finally did I was a little too big for her. We changed condoms and did it in mish. Good sex with a very nice girl. She was most apologetic that the anal didn't work but no problem for me. A really nice girl.
