The Premises:

It's an apartment above shop. Ample parking space. The apartment was very clean, safe and I felt very at ease with the good clean facilities. Welcomed by maid and offered complementary refreshment.

The Lady:

Co Co is an oriental girl. She's half Chinese, half Thai, about 26 years old. She is 5'3". She got long dark hair and very curvy figure with a generous 36DD natural boobs.

The Story:

The maid told me that Co Co was new to Coventry. Co Co welcomed me with a warm big smile. She soon started giving me a very sensual massage with her curveaceous body. Her boobs were very big and perky. I soon got really excited.

I couldn't help to ask her to give me a blow job. Although she's new girl, she definitely knew how to please me with her tongue. It's getting to a point that my cock was bursting to cum.

So I lay on my back and Co Co mounted me. It was ever so excited to see her bouncing big tits. She moaned and groaned loudly and I knew she must be enjoying her ride as much as me.

It's a good 30 minutes well spent with this oriental girl. I will certainly call and see her again.
