The Premises:

Sensations has been well described before

The Lady:

Blonde short sticky out hair probably in her fifties, reasonable figure for her age but 34H boobs.

The Story:

Gave her name as Chardonnay when I met her and it wasn't until we were well into the action that she admitted that her name was Charlotte - had I known that I wouldn't have parted with the money and I would have walked!

She started of with an excellent body to body and an OK oral with. Then it all went downhill, apart from the stupid talk "give it to me, oh you are so sexy" it was all over in 15 minutes.

This is the first poor punt I have had in Sensations in over six years, so whilst I can definitely not recommend Charlotte (Max get rid of her! third poor FR) I would be happy to see the other girls.
