Details of Service Provider:

Profile Name: 24/7 Babylon Girls London Escorts Agency

Website: <https://www.babylongirls.co.uk/>

Phone: 07919077777

The Premises:

Very dirty and tacky. When I sat on her bed, I felt very itchy for some reason.

The Lady:

Her look doesn't "match" the pics on the website (Guys, I think the agent, Babylongirl, provides a lot of airbushing on its girls' pics and not very honest to their business). She looked very minging and has a birth mark near her right hand side of her lips. Her body shape was not great with a pair of saggy tits and also, worse still, her bum was very spotty (I didn't realise til she went naked) .

The Story:

The whole service was "disgusting" and I felt like I got ripped off by the agent. She totally didn't enjoy her work. BJ was shit and F*UKing was completely rubbish. I got so pissed off and didn't do the second round and left.

I don't think I will use Babylon to find any escorts again.
