The Premises:

Typical Milton Keynes apartment, near office buildings, and with a car park just outside. Apartment itself was clean and well furnished.

The Lady:

Blonde, mid 20's, and slim with some nice curves.

The Story:

Arrived without an appointment, so was led to a downstairs room for the introductions. There were three girls available, but the two who stood out, were Ariel who couldn't remember her name (Very sweet), and Sally who was simply gorgeous?.. Chose Sally, but I'm sure Ariel would be lots of fun.

Won't go into too many details, but Sally is very attractive young lady with a great personality. She has a lovely touch, both with her hands and mouth, and was pretty much up for anything I suggested. The 30 minutes passed far too quickly, but did get to have a nice chat with her before I left.

All in all, an extremely good experience, which I'd highly recommend. Next time however, and I'm sure they'll be a next time, I must book longer.
