The Solihull location is totally safe

The Lady:

Check out her FR's - I did and visited as a result. I'm usually sceptical about 'stunning', 'gorgeous' etc as I've been seriously disappointed in the past - NOT this time - Vanessa is absolutely stunning and gorgeous so long as you like them tall, slim, tanned, small breasted (but with beautiful nipples), pretty face, lovely hair and fabulous to go with it, great personality and chat.

The Story:

Vanessa pulled this out of the fire - I'd arranged for 1pm but when I arrived no answer on the phone and kept trying for 20 mins or so and had given up, but tried again as I was about to go elsewhere and got through. I was a bit sharp on the phone and wondered whether it might go 'tits up' but when I did finally get in at 2pm Vanessa was apologetic and made me very welcome. Anyway, on to the punt - it was terrific although by then I was in a bit of a hurry to pick up at the airport. Fantastic slim figure, lovely GFE kissing and cuddling. She was great with RO (lovely pussy lips) and came in loads on my face, and enjoyed a good rimming, sitting hard on my face. Great sex in all positions. I hope I can get to see her again :-)
