The Premises:

The place has been revamped recently - very clean and good size room. Parked in the supermarket nearby - no problems

The Lady:

About 5 foot 5 with loads of tatoos and piercings - not a problem for me - lovely slim firm body

The Story:

A fantastic punt. I have seen this lady a few times under various guises and at various places - always delivers a great service. Plenty of action including ball licking; owo; fingering etc.

With her legs spread wide and on the sdge of the bed I managed to get deep penetration and she was very enthusiastic all the time - had sex in mish and then doggy with her pushing back on me all the time.

Well worth the visit and probably the most attentive person I have met - makes sure you enjoy yourself and nothing is too much effort for her

For an extra tener you can have anal - defo worth it - have done it in the past and really tight and doesn't mind if you bang really hard once your in fully.
