The Premises:

In a OK area, easy parking, not many people on the streets. The place was clean, very plain (not erotic style if you know what I mean)

The Lady:

Brazilian, mid-late 20's, very big tits, size 12-14, dark skinned.

The Story:

Started with lots of kissing and groping, lot of tit sucking, she gave OWO (she is good), I returned the favour with going down on her. She wanted to suck my dick again, so I thought forget fucking today, I'll cum in her mouth and so I did all over her face, her tits, her eyes, her mouth, in her nose, on her hair and on the pillow. It felt goooood she sucked it well plus I hadn't had sex for a couple a days, so it was a big load.

I did help her clean it up, coz I felt sorry in the end.
