### The Premises:

Comfy flat in a Westminster side street. Hell to park unless you use Westminster's credit card and mobile phone combo

### The Lady:

Very pretty, vivacious blonde. Much prettier than her photos. Petite, sexy and gorgeous

### The Story:

This girl is lovely. She's a real character - chatty, friendly, feminine and very very sexy. She does everything except anal, is a realist about her chosen profession and is sure to become one of London's finest. If you are looking for a GFE with a pretty, intelligent, horny and caring woman then Lera is for you.
