The Premises:

As other reports - off a busy road but pretty discreet or rear entrance available at no extra charge (joking - no pun intended).

Brooklyns is like a porn version of fawlty towers, the shower in the front room farts and lets out smells, the shower off the reception alternatly tries to scald or freeze your knackers off with evil glee. While this is going on Donna (the incredibly friendly as well as tasty maid) who has a hoover fetish can be heard manically hoovering whenever not serving customers and semi-clad girls can be seen dashing about.

The Lady:

See photos on site for accurate pics of an early - mid forties / instant boner lady. Nice athletic/slim chassis fantastic bum and dead cheeky, easy to get on with and always have a great relaxed time with lots of banter.

The Story:

Called in for a birthday treat, was met by the lovely Donna who must rate as one of the best parlour maids I've not had the pleasure of and shown to Nikkis room. After tempting fate with death by scalded nuts in the shower I had a great GF time as usual, finishing with a great oily tit wank and super-doooper hand job. One thing I love about Nikki is the wicked look on her face when you come. Bloody fantastic!

Will I be back - to bloody right!
