### The Story:

After a long gap from punting, trying to take my pleasures only at home?I couldn?t resist that naughty look of a young girl dressed school uniform! She made me abandon all my efforts of the last few months to not visit working girls?What the hell? I am back on line!

Natalie was gorgeous and after a few pleasantries was soon kissing and undressing me. This was clearly not going to be a massage session but something closer to a girl friend experience. I found Natalie very willing to please and happy to offer extended OWO and just as happy to receive my oral attentions.

She gently dissuaded my probing with fingers but was happy to receive external stimulation down below. I love it if I can be convinced of a lady?s orgasm, something I suppose most of us probably kid ourselves about in many instances. However I detected in Natalie an easy acceptance of the act we were involved in and I am sure she can separate the physical pleasure she was receiving from any delusion I may have had that it was my dazzling personality or performance.

I was duly rewarded with a nice gush of juices from her. I had two finishes myself, one in mish and the other doggy style with some trojan efforts on her part. High recommended.
