Jas is about 5ft and cuddly with big boobs. Great chatty personality. Enjoys sex.

The Story:

I phoned Jas on the off chance that she had some free time. Yes was the answer. She always asks at the very start what you want to do and when I said "anal", the reply was "of course". What a start! We began with a massage which touched all the right places and then turned over for oral, which Jas is excellent at. While Jas was attending to my cock, I mentioned that I enjoyed having my bum hole played with. No problem - she put a condom on her finger, some KY and gave my hole some serious playing with while she carried on sucking. Jas gets a very wet pussy and although I didn't go down on her this visit, I know from previous experience with Jas that she enjoys having her pussy licked and will cum. Then on with the condom and some cowgirl. Jas has a lovely tight pussy. Turned over for a session of deep anal in the doggie position. Jas loves taking anal and kept encouraging me to shoot my load into her. Afterwards, we lay together for a while kissing, cuddling and chatting.

I've seen Jas a number of times and it's always great.
