The Story:

Was recommended Melissa by the agency and while noted other neg feedback decided to give her a go anyway. Very polite on meeting her and was offered a shower which I took. I was optimistic of a good time but once I entered the bedroom it was obvious this was going to be mechanical sex. Melissa didn't want to kiss and after a short owo was reaching for a condom. Has sex in a few positions while she had her eyes closed and once I'd cum she dashed for the bathroom. There was still 30 min left.
