The Premises:

Nice, clean and tidy apartment in what I think is a new development. The area felt very safe and the building offered its own walled parking facilities.

The Lady:

The pictures on Joanna's website are a good indication of her overall physical appearance. She is tall and as her site says, rubenesque.

The Story:

This was my first ever punt and I thought about it long and hard before finally deciding to go ahead.

After looking at the websites of a number of North West escorts, I decided upon Joanna based upon other FRs, her photo gallery and also from reading some of her posts on PunterNet.

When I made the appointment, I'd imagined getting into Joanna's apartment and just going for it but I have to admit that as the time for our appointment approached, I became increasingly nervous.

I needn't have though. Joanna sensed my nervousness and we sat and chatted for what seemed like ages. As I became more relaxed, Joanna move closer and what followed seemed perfectly natural.

I don't want to go into too much detail as to what transpired. However, what I would like to say is that Joanna gave me an absolutely stunning time. She did things to me that nobody else has ever done, my wife or previous girlfriends included.

Afterward, we lay, cuddled and chatted as if we'd known each other for ages. There was no sense of rush at all and that made a massive difference to me for my first punt.

I'm now looking forward to my next visit!
